

Glenholme

Bispham Gardens, Blackpool

Glenholme

Bispham Gardens is a 52-bed residential and nursing care home built to meet the needs of both mature and elderly residents.

Staff are skilled in meeting specialist needs, including dementia and end-of-life care. Located in a quiet residential area in Bispham, in the heart of the Flyde coast, Glenholme Bispham Gardens is for older people, with nursing or personal care needs, looking for a relaxing and fulfilling lifestyle.

At Glenholme our mission is to provide the best support and care to each and everyone we work with.

For us this means providing bespoke care which recognises the needs of the individual and how those needs vary over time.

Glenholme

Hotel Style Accommodation

Our rooms are large and airy with plenty of storage and space to move around. Each room has an en-suite shower and WC designed to maintain your privacy and dignity.

You are welcome to personalize your living space; bringing treasured items from home, or your own linen and towels, you can even bring a small pet such as a budgie. A lockable drawer is in each room and you will have a key to your room, unless you choose not to.

There are numerous communal spaces such as lounges, dining rooms, a bar and other quiet areas.

In addition, there is a hair-dressing salon, library, cinema, a bistro and landscaped gardens. The bistro is located in the entrance to the home which is a great meeting place and can also be used for functions.

Visitors are welcome anytime and can make drinks in the Bistro.

Our care

All care packages at Bispham Gardens are tailored to meet each persons' needs and wishes. We provide person centered care that concentrates on what you can do and promotes independence.

We encourage you to be involved in developing your care plans so we know exactly what you need, what you wish for, and your usual routine. There is an in-house hairdresser and the chiropodist visits regularly.

“the patience and affection that my mum was shown was beautiful to see...”

Glenholme

Staying active and maintaining independence

We believe it is absolutely crucial that all our residents are able to enjoy as active a life as possible. For this reason our homes are designed with activity at their heart.

Residents are able to spend time in a variety of lounges, libraries, bistros, dining rooms and cinema rooms and in addition have the use of our spacious gardens.

For those whose needs cannot be met in a residential setting, Bispham Gardens also provides nursing care. Glenholme nursing staff are available 24 hours a day seven days a week.

They are supported by teams of highly skilled healthcare workers.

Glenholme

The home retains a programme of events and activities. The activities coordinator regularly arranges a wide range of opportunities, to get involved with, on both a personal and a social level.

These include music evenings, pantomimes, our famous Christmas fair as well as a range of trips to local shops and attractions. People are encouraged to maintain their hobbies and links with their community.

“The care my father received was extremely caring and respectful.”

Eating to 'live well'

Our in-house chef uses fresh ingredients to prepare nutritious and enjoyable meals and snacks throughout the day. There are always at least two choices on the menu for all meals but if you fancy something else the chef is always willing to rustle up something. Cakes are freshly baked daily.

Hot and cold drinks are available at all times of the day and night along with morning coffee and afternoon tea in the bistro. In addition, those who would like to do some of their

own cooking can use the bistro to do so.

"The food is all fresh and lovely and the home baking is just fab...especially the scones!"

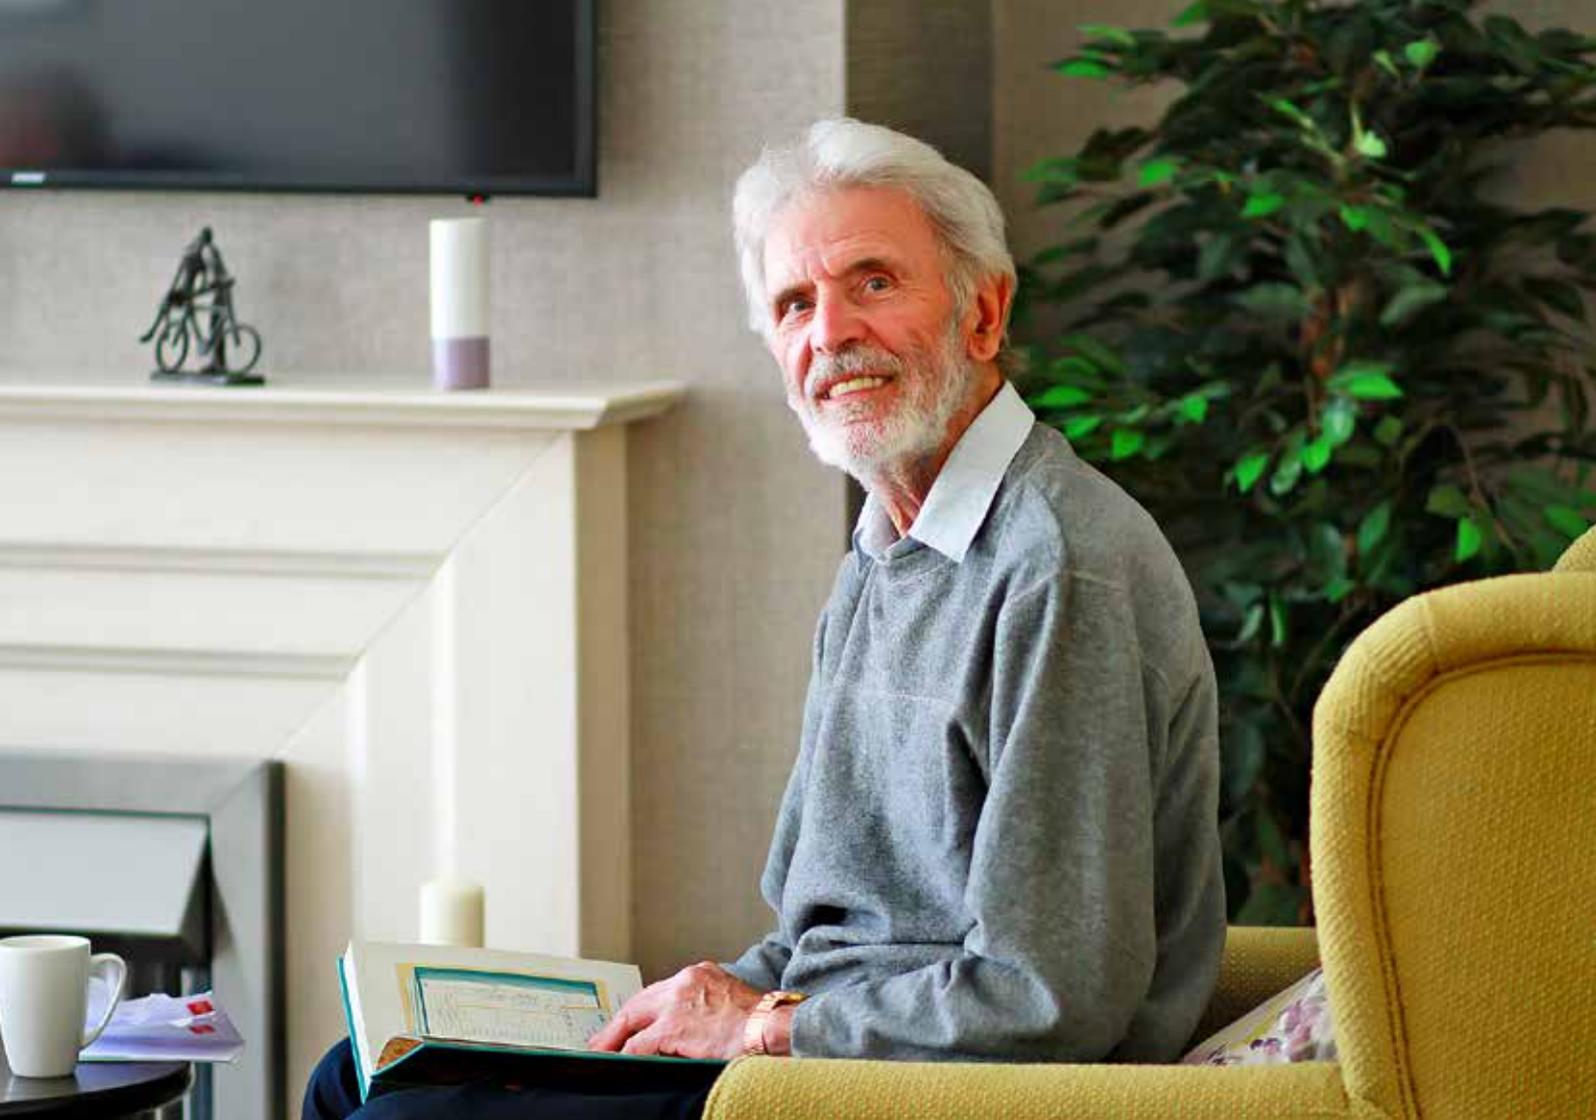

Jacqueline – carehome.co.uk
